IMPERIAL CANVAS PORTRAITS...

The Imperial canvas is the finest portrait quality both in color and in permanence. The combination of canvas weave and lacquer, with our classic portrait style give this print the appearance of a fine painting. Each print is mounted to firm masonite and has a glaze lacquer finish for protection from light and humdity. These prints include retouching, enhancements and artwork. Delivery time ranges from five to six weeks.

SALON PORTRAITS...

These are first enhanced in color and definition. The Salon portrait print is mounted to a firm artboard for displaying in frames without glass. The Salon color has a rich deep texture & lacquer finish. These prints also include retouching, enhancements and artwork. Delivery time ranges from three to four weeks.

MARQUIS PORTRAITS...

The 8 x 10 and 5 x 7's are presented in attractive folders (to be framed behind glass) — larger prints are mounted to card stock. The Marquis print has a smooth, paper textured finish.
